

## **ADDENDUM NO. 2**

**August 27, 2019**

### **Former Beech-Nut Plant – Western Plant**

#### **Environmental Cleaning, Asbestos Abatement and Bridge Removal**

This addendum is hereby included in and made a part of the Contract Documents. All requirements of the original Bid Documents shall remain in force except as noted by this addendum.

The purpose of this addendum provided by LiRo Engineers, Inc. (LiRo) is to provide bidders with information on the following items:

#### **Additional Site Access**

In order to provide prospective bidders a sufficient opportunity to assess the project site to formulate their bids, the site will be accessible for additional visual inspection at the below listed times:

- Friday August 30, 2019 @ 8:30 am
- Wednesday September 4, 2019 @ 8:30 am
- Thursday September 5, 2019 @ 8:30 am

Attendees will meet a LiRo representative at the Beech-Nut Plant at the entrance off Church Street between Erie Boulevard and Incinerator Road. All attendees shall possess a current NYSDOL asbestos certification and are required to arrive on-site with a hard hat, safety glasses, construction boots and an operating flashlight. Additionally, disposable suits (e.g. Tyvek) and respiratory protection is recommended. Safety equipment will not be provided by the Owner.

These additional site access periods will be un-escorted, however, all attendees shall be required to sign in and out of the site with LiRo's onsite representative. In order to attend one of these site access periods, you must notify Jason Colvin via email at [colvinj@liro.com](mailto:colvinj@liro.com) no later than 24-hrs prior to the designated time.

**It shall be noted, that attendance at one of the above noted site access periods DOES NOT relieve prospective bidders from their requirement to attend either the August 23<sup>rd</sup> or August 29<sup>th</sup> Pre-Bid Meeting to be eligible to bid on the project.**

The Prospective Bidder shall acknowledge receipt of this addendum in their bid submittal.
