### Lodge Solange Bed & Breakfast

1372 Burrell Rd  
St. Johnsville NY  
Phone: (518)568-9991

“Lodge Solange Bed & Breakfast” is located in St. Johnsville NY and owned by Monique De Roeck and her husband Peter. They both came from Europe, to start their new ventures in upstate NY. A lot of people have asked them what exactly attracted them to drop everything and come to Upstate NY.

In 2002 Monique was on a business trip and stayed in Montgomery County, immediately she fell in love with the area. In 2013 they came back to visit the area again and found this beautiful piece of property, which was for sale. It was a barn converted into a cozy house on 100 acres of land. Monique and Peter stayed one night and then decided to

buy the property. To make a long story short, they immigrated to the USA in May 2014 and the rest was history as they say!

They really enjoyed living in Montgomery County and were very grateful to have this beautiful piece of property. Then they started talking about how nice it would be to share this with other people and that is how the idea for Lodge Solange was born! “Solange” means “Rare Jewel” and that’s exactly what this property was for the both of them, “their little treasure”!

They wanted to build a Log Cabin and they designed everything themselves. They knew exactly where they were going to build the lodge and how they wanted it to look. Monique and Peter worked with local contractors and bought all of their own materials from local businesses, which was very important to them. They had a lot of trees on their property, so they thought it would be very special to have some of those trees in their new lodge. It took them 3 years to build and “finish” Lodge Solange and the result was spectacular, unique, and a piece of art.

Monique and Peter's goal was to create a house that was "multifunctional" so, they could go in many directions and where people can feel at home, with a guarantee of comfort and privacy. This is why Monique and Peter set up the lodge a bit different than other B&B's. People who are staying in the lodge have the whole house at their disposal, which makes it a good alternative than staying in a Hotel or Motel. Lodge Solange is wheelchair accessible and has 3 guest rooms, 3 bathrooms, different lounging areas, a beautiful kitchen with fridge, freezer, cook top, oven, all kitchenware, huge porches with furniture, a beautiful loft with terraces and panoramic view. They serve continental breakfast, with homemade bread and pastries, all made with organic ingredients for their houseguests.

Also available for business meetings, short term rentals, workshops, seminars and special events.

Monique and Peter started the Lodge Solange recently and are very excited to share their lodge with guests from all over the Country. Monique and Peter are proud to hear from their guests that stay in the lodge and appreciate the comfort, privacy, good quality food, service, peace and quiet and not to forget the beautiful area.

Monique and Peter hope to be able to share their property and welcome everyone to stay in Lodge Solange for many years to come. For more information please visit their website at [www.lodgesolange.com](http://www.lodgesolange.com), or email at [monique@lodgesolange.com](mailto:monique@lodgesolange.com). Become STRONGER with Lodge Solange Bed & Breakfast and Montgomery County!
