**ADDITIONAL QUESTIONS:**

1. **Have the directors of the Corporation acknowledged that they have read and understood the mission of the public authority?** The directors of the Corporation have reviewed the mission statement and approved same by Resolution on March 10, 2016.
2. **Who has the power to appoint the management of the public authority?** The directors of the Corporation appoint the Chief Executive Officer and Chief Financial Officer of the Corporation, as well as the other staff of the Corporation.
3. **If the directors appoint management, do you have a policy you follow when appointing the management of the Corporation?** To the extent that the expertise needed by the Corporation resides within Montgomery County, the Corporation first looks at candidates from within the County when appointing management of the Corporation.

4. **Briefly describe the role of the directors and the role of management in the implementation of the mission.** The Mission of the Corporation was developed by the directors through much consideration and discussion. The directors of the Corporation act as an independent body of directors who all take their role and responsibility as Corporation directors very seriously. They consider the facts and implications when making determinations. The directors make policy decisions, and look to management to implement said policy. All decisions to grant financial assistance by the Corporation ("Project Approvals") require approval of the directors; in those cases, the directors request insight and recommendations from management; however all final decisions on Project Approvals reside with the voting directors of the Corporation.
  
5. **Have the directors acknowledged that they have read and understood the responses to each of these questions?** All directors participated in the drafting, presentation for discussion, and approval of these responses.
