

**Mission Statement:** *The Montgomery County Industrial Development Agency was created in 1970 as a public benefit corporation of the State of New York. The MCIDA's mission is to assist in creating and maintaining jobs, thereby strengthening the economic base of the community as well as improving the quality of life of the residents of Montgomery County. This mission is accomplished by providing access to real estate solutions through the development of "shovel ready industrial parks", offering financial assistance and incentives along with business development and technical assistance to businesses looking to expand or locate in Montgomery County.*
