W.W. Custom Clad, Inc.
75 Creek St
Canajoharie, NY 13317

W.W. Custom Clad, Inc. Co-founded by Charles E. Wright and Christopher M. Watson in 1976 in an old creamery along the Canajoharie Creek with just one piece of equipment; WW Custom Clad is one of the original powder coaters on the East Coast and a pioneer in the field. Coming from backgrounds in sales and lab formulations respectively, both Chuck and Chris continued the tradition of leadership and innovation for decades. Today, not only do they still occupy the same building, but they have expanded to new locations. WW

Custom Clad's commitment to customer satisfaction is unparalleled, and their experience is unmatched. By establishing proactive relationships, training, retaining, and recruiting the highest quality employees they will make sure to exceed customer's expectation, because your trust and confidants is critical. WW Custom Clad professional facilities & equipment, skilled workers, and knowledge of coating and finishing capabilities are at your disposal located in New York State near Schenectady. Durable coatings used in automotive, transportation & general industrial sectors. WW Custom Clad specializes in coating, powder coating, specialty coatings, liquid coating, finish, assembly, pretreatments, logistics, anti-microbial coatings, anti-graffiti surface, and NYS DOT approved coatings.
